### Bachelor of Science in Computer Science and Economics
3.4/4.0

📅 Expected May 2023   ⚲ Allegheny College

High School Diploma
3.67/4.0

📅 2015-2019   ⚲ Spring Hill High School

TECHNICAL SKILLS

Docker   Atom   Debugging   Testing   Linting   Discord   Slack   Data Analysis   Linux   Git   VS Code   Slack   Python   PyPi   Poetry   Git Hub   Agile-Scrum   Java

PERSONAL SKILLS

Teamwork   Flexible & Adaptable   Leadership   Communication   Motivator   Leader   Multi-tasking

RELEVANT COURSES

📅 **Spring 2020- Spring 2021**
Completed

- Computational Expression, Data Abstraction, Software Engineering, Algorithm Analysis, Computer Security, Discrete Structures, Software Innovation I, Software Innovation II

📅 **Spring 2022 - PRESENT**
In-Progress

- Web Development, Junior Seminar

📅 **Fall 2023**
Planned

- Computer Organization, Programming Languages, Senior Thesis

ACHIEVEMENTS

🏆 **The Econ Games**
2020-2021 Team for Allegheny College

- Participated in a team where we solved a relevant business problem by providing an economics proposal for a solution. Participants are given a set of that relevant data and economic conditions that are then analyzed and presented alongside the proposal.
